

Matthew 25:14-30

The creed of the kingdom:

Love God passionately and love others radically.

The three key ingredients:

1. Community What if everyone in our church knew the joy of living with others in authentic community?
2. Mentoring What if everyone in our church had someone pouring into his/her life and was pouring into the life of someone else?
3. Mission What if everyone in our church was actively engaged in demonstrating God's love in our neighborhood, our city, and our world?

2. Community partnerships
3. The land

Our Vision:

To see the kingdom of Christ made tangible in our neighborhood, our city, and the world.

What it's going to take to move from a church vista to a kingdom vista?

- Listening to the Holy Spirit
- A pilgrim mentality
- The stewardship of our “talents”
- A willingness to sacrifice some personal preferences
- A new level of commitment
